

Industrie Service

CERTIFICATE

The Certification Body - 0036 - of
TÜV SÜD Industrie Service GmbH

certifies that

Outokumpu Stainless, Inc.
1101 North Main Street
Wildwood, FL 34785
USA

has implemented, operates and maintains a

**Quality Assurance System in accordance with the
Pressure Equipment Directive 97/23/EC (PED)
Annex I, Paragraph 4.3**

as Material Manufacturer for the scope of

Longitudinally welded austenitic stainless steel piping.

The scope of the approval is described in the annex to this certificate.

The manufacturer is, therefore, authorized to issue certificates of specific product control within the scope of the assessed quality system and in accordance with the Pressure Equipment Directive 97/23/EC and applied technical specifications. Possible additional requirements - specific to applied technical specifications to meet PED Annex I - are not affected.

This certificate is valid through March 2011.

The validity of this certificate is connected to a valid certification in accordance with ISO 9001:2000.

Certificate No.: 350/2008/MUC
